

Public Hearing 7-9-07

On 7-9-07 at 5:30 p.m., in the Athens Police Department Courtroom located at 951 E. Hobbs Street, a public hearing took place to receive comments for or against the City of Athens regarding improvements to the new wastewater treatment plant. The people present were: 1) John Stockton, City of Athens Director of Water/Wastewater Department, 2) Kent Lewter, Director of Finance for Athens Utilities, 3) Tom Harwell, Project manager for the Athens Wastewater Treatment Plant Improvements, and 4) John Hamilton, City of Athens City Clerk.

There was no one else attending the public hearing other than the previously mentioned individuals and obviously, no one spoke for or against the improvements to the new wastewater treatment plant.
